## **PRESS RELEASE**

### **Letter of Award for Provision of Through Tubing Downhole Tools and Services**

Kuala Lumpur, 16 January 2015 – Uzma Berhad (“UZMA”) is pleased to announce that its wholly owned subsidiary, Uzma Engineering Sdn Bhd (“UESB”) has been recently awarded a contract by PETRONAS Carigali Sdn Bhd (PCSB), for the provision of Through Tubing Downhole Tools and Services (“Contract”).

The 2 year contract is effective from 1 January 2015 to 31 December 2016 with an extension option of 1 year from 1 January 2017 to 31 December 2017. The value of the Contract is estimated at RM50 million over the primary contract period.

This contract award marks another milestone which will allow UZMA group to further add another service offering in the well services segment which in the past was dominated by international oil services companies.

According to Dato’ Kamarul Redzuan, Chief Executive Officer of Uzma Berhad, “I am immensely proud of the major strides achieved by Uzma’s E-line and slickline team since its inception in 2009 in building up our capabilities in the well services segment. I am grateful to PETRONAS for giving us the opportunity to prove ourselves and this award is a further testimony of our capabilities and commitment as previously, through tubing downhole tools and services were exclusively done by international O&G services firms”.
