PRESS RELEASE

LOA for the provision of a Water Injection Facility (WIF)

Kuala Lumpur – Uzma Berhad (“UZMA”) is pleased to announce that its 100% subsidiary company, UZMA Engineering Sdn. Bhd (“UZMAE”) was awarded a contract by PETRONAS Carigali Sdn Bhd (PCSB).

The contract is for the provision of services covering the leasing, operation and maintenance of a water injection facility for the D18 field in Peninsular Malaysia.

The estimated contract value is between RM350-400 million. The Company is obligated to deliver the WIF by 31 March 2016. The leasing period of the Contract is up to 5 years effective from 31 March 2016 (“Leasing Period”).

“This major contract in this area of water injection services awarded to UZMA is a testament to our team’s continuous development of efforts to help our clients further extend the production life cycle of brownfields. We are very proud with this award and we hope to continue to play an increasing role in water injection services.” said Dato’ Kamarul Redzuan, Chief Executive Officer of Uzma Berhad. He further added “We are also very proud of the contract award given the backdrop of a challenging outlook for the Oil & Gas sector and the responsibility of executing this project within a 9 month timeframe.”
