PRESS RELEASE

Letter of award for provision of well testing equipment and services – West Region

Kuala Lumpur, 16 February 2012. The UZMA Group is pleased to announce that it has obtained the approval from Petronas Carigali Sdn Bhd (“PETRONAS”) to announce a recent contract award to Uzma Engineering Sdn. Bhd (100% subsidiary of UZMA Berhad). The contract is for the provision of well testing equipment and services for Petronas’ drilling programs for the West Region.

The Contract period will be for 5 years which is effective from April 2012 to March 2017. The value of the Contact is estimated at RM350 million.

The Contract is expected to contribute positively to the earnings and enhance net assets per share of the group for the financial year ending 31 December 2012 and the duration of the contract period.

Dato' Kamarul Redzuan, CEO of Uzma Berhad said, “The Uzma group are very proud with this award as it further cements our Group’s progress and focus into our Production and Operation services division. With this award, the group will further add to our capabilities and complement our range of services and commitment to our O&G clients”
