PRESS RELEASE

Letter of award for provision of integrated equipment and services for idle well reactivation project

Kuala Lumpur, 26 July 2011. The UZMA Group is pleased to announce that it has obtained the approval from PCSB ("PETRONAS") to announce a contract award to Uzma Engineering Sdn. Bhd (100% subsidiary of UZMA Berhad) for the provision of integrated equipment and services for the Idle Well reactivation project.

The Contract period will be for 3 years which is effective from July 2011 to July 2014. The value of the Contact is estimated at RM170 million.

The Contract is expected to contribute positively to the earnings of the Company for the financial year ending 31 December 2011 and future years. The Contract is expected to enhance net assets per share of the group for the financial year ending 31 December 2011 and future years.

According to Dato' Kamarul Redzuan, CEO of Uzma Berhad, "We at Uzma are very excited by the award of this contract as it marks the second significant milestone reached by the group in 2011. This project further reinforces the Uzma Group's commitment to its clients in delivering an integrated approach towards delivering innovative oil production solutions in the shortest possible lead time and cost effective manner."

About UZMA Group
