

UZMA well services division secures another work order.

01 December 2020

KUALA LUMPUR. Uzma Berhad (“Uzma”), through its subsidiary Setegap Ventures Sdn Bhd is pleased to announce that it has been awarded a work order under the Pan Malaysia Umbrella Contract for the provision of Integrated Well Services for Intervention, Workover & Abandonment from SEA Hibiscus Sdn. Bhd

This work order’s job scope involves well intervention and integrity operations using Uzma group’s integrated service offering such as coil tubing unit (CTU), pumping services, e-line, ancillary services as well as project management services. The duration of the work order is for one (1) year.

“Uzma is pleased with the award of another work order for integrated well services as it demonstrates that improving global oil prices and sentiment is leading to improving activities in the industry. We are especially pleased with the confidence shown in the group’s capabilities to execute the various services required under a complex well intervention project.” said Dato’ Kamarul Redzuan, the Group CEO of Uzma.“

Well services are a necessary activity to ensure optimal hydrocarbon production in brownfields to extend the life of the field but also at a higher rate of production.

Uzma Berhad is one of the leading Malaysian oil & gas contractors specialising in production optimisation and enhancement. It has a strong track record as Malaysia’s leading integrated well services specialist as well as capabilities in other parts of the oil and gas value chain.
